**Company profile:** EYBL International AG is a manufacturer of automotive textiles and components.

The business division Automotive Textiles manufactures rolled textile goods for the interiors of automobiles as well as for trucks and other vehicles in smaller quantities. The range of products covers the manufacture of materials for seat covers, head rests, tops, dashboards, sidings and door coverings and rear dashboards.

The business division Autotextile Parts manufactures original seat covers of material and leather, integrated children's safety seat covers, shift sticks and manual break handles as well as other small parts such as head rests and arm rest tops.
